

**Education Center Staff Nisenan Class: School items**  
**Review sheet for Monday, September 18, 2023**

In today's class, we reviewed some language for talking about "having" different school items:

1. Names for some school items (e.g. 'tape' 'pen/pencil').
2. How to ask "Do you have \_\_\_\_\_?" and respond.
3. How to say "Take it" and "Give it to me".

**School items**

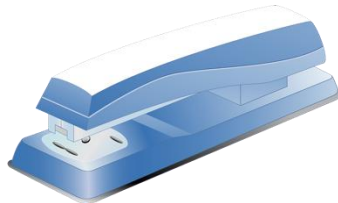

*boonóyu* 'pen/pencil'

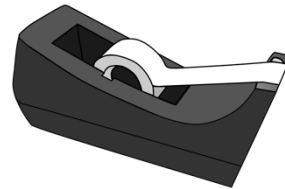

*papél* 'paper'

*sik'ályu* 'scissors'

*inpaayutíyu* 'stapler'

*wac'adaktíyu* 'tape'

**Talking about "having"**

Today we learned some language that we can use to talk about having different school items. For example, you can ask whether someone has something by saying:

_____pébe mi?	'Do you have _____?'
<i>Boonoyupébe mi?</i>	'Do you have <u>boonóyu</u> ?' (pen/pencil)
<i>Papelpébe mi?</i>	'Do you have <u>papél</u> ?' (paper)
<i>Inpaayutiyupébe mi?</i>	'Do you have <u>inpaayutíyu</u> ?' (stapler)
<i>Sik'ályupébe mi?</i>	'Do you have <u>sik'ályu</u> ?' (scissors)
<i>Wac'adaktiyupébe mi?</i>	'Do you have <u>wac'adaktíyu</u> ?' (tape)

In response, you can use some of the following language:

*Haan!* 'Yes!'

*Wiin!* 'No!'

You can also tell someone to take the item, or give it to you:

*Meep miyé.* 'Take it.'

*Mey nik miyé.* 'Give it to me.'
